

## NEWS of the FRATERNAL SOCIETIES

**St. Anthony's Court.**  
The members of St. Anthony's court, C. O. F., will hold a special meeting next Sunday, at which time the first degree will be conferred on a class of candidates whose applications were presented at the last regular meeting. The second degree will be conferred on those candidates at a meeting which will be held at a later date, and which will likely take the form of a country reunion, attended by all of the courts of the country.

The newly elected officers of St. Anthony's Court will be installed by James V. Gaul of Houghton at the regular meeting on the first Tuesday in January.

Local members of the Catholic Order of Foresters have expressed no resentment so far at the increased rates which have been ordered by the high court to become effective January 1. They realize that in order to provide adequate protection, higher rates are necessary, in conformity with the provisions of the Mobile bill, which is now looked upon as somewhat authoritative. The increases in rates amount to between 20 and 40 per cent.

This view is not taken by other Catholic Foresters, however, as is shown by the following from the Evening Wisconsin:

Objection to the increased assessment is based upon alleged extravagance of high court officers, principally in paying themselves exorbitant salaries. A salary of \$10,000 a year for a high court officer is accepted as only moderate compensation. A Forester who is backward in paying his monthly dues is suspended without ceremony and he cannot be reinstated until every penny of his assessment and penalty has been paid.

Wisconsin Foresters intend to confer with State Insurance Commissioners Elbert upon the advance in their lodge dues, with a view to ascertaining whether the increase is reasonable and warranted.

### Owls Name Officers.

At the regular meeting last evening, the members of the Laurium Nest of Owls selected the following officers for the ensuing year:

Past president—Matt Seifert.  
President—Charles Adams.  
Vice president—William Schwenn.  
Invocator—Edward Eggen.  
Secretary—Frank Ziehr.  
Treasurer—Dominick Vairo.  
Warden—Emil Wilmer.  
Sentinel—Arthur Newberg.  
Picket—Rudolph Bohor.  
Trustees—J. Bruce Paton, John Gies and William Waas.  
Physician—Dr. M. M. Kerr.

The new officers will be installed at the first regular meeting in January, at which time there will be a social session and luncheon. At last evening's meeting, a supper and supper was served.

Plans were also made for a membership contest, to be started immediately and to continue until March 31. The members of the nest will be divided into two sides to be captained by Jacob Wagner and Joseph Swetish and special prizes will be given to the members bringing in the largest number of applications. A special dispensation has been secured to reduce the initiation fees for this contest. Committees were named last evening to arrange for a dancing party early in January.

### M. W. of A. Reinstatements.

The members of the Modern Woodmen Society, who suspended because of the agitation resulting from the change in rates ordered by its supreme governing body are restoring their memberships rapidly. During the month of October there were 16,489 reinstatements from suspension, those members carrying \$24,759,999 insurance. Many of the members reinstating are taking smaller amounts of insurance. "Not how much, but how safe," now seems to be the governing idea.

When the society reaches its thirty-fifth anniversary on January 5, next, it will have a record of death claims paid substantially equal to the losses of the Union army in the Civil war. In the years 1861 to 1865, the Union troops sustained a loss of 67,958 killed in battle. Since its organization in

## HOW TO MAIL CHRISTMAS GIFTS

Postmaster General Gives Out List of "Do's" and "Don'ts"

What to do and what not to do in preparing and mailing Christmas packages, so that gifts may reach the addressees instead of the dead letter office or "nixie" division and be delivered on time, is told in some sage advice communicated to the public today by Postmaster General Frank H. Hitchcock. Here are his admonitions:

First—Postage on all matter should be fully prepaid. Packages not fully prepaid will be held for postage.

Second—All packages should be fully and plainly addressed, including street and number, or number of rural route, in order that there may be no delay in handling and delivering them.

Third—The sender's name and address should be placed in the upper left hand corner of the envelope or wrapper to insure return of mail if not delivered.

Fourth—All mail matter should be securely packed and wrapped so as to bear transmission without breaking. Matter other than that of the first class must be so wrapped that the contents of the package may be examined easily by postal officials. When not so wrapped, the matter will be charged with postage at the first class rate.

Fifth—Packages of third and fourth class matter may bear, in addition to the names and addresses of the senders and addressees, a written designation of the contents, a simple inscription not in the nature of personal correspondence, the words "Merry Christmas," "Happy New Year," "With best wishes," and "Do not open until Christmas," or words to that effect.

Sixth—Packages should be prepared, wrapped and addressed, as indicated above, before being deposited for mailing, and should be deposited as soon as ready and as early in the day as possible, thus avoiding congestion at the postoffice and insuring prompt dispatch.

Seventh—All valuable letters and parcels should be registered.

Eighth—The special delivery of mail by messenger may be obtained by placing on any letter or package a special delivery stamp or 10 cents to ordinary stamps in addition to the amount of the required postage. When ordinary stamps are used the word "Special Delivery" must be placed directly under, but not on the stamps.

Ninth—Imitations of postage stamps may not be placed on either side of mail matter. Where such imitations of stamps are used the matter will be returned to the sender, if known, or if unknown, to the division of dead letters. However, adhesive stickers, labels or seals, such as the "Red Cross seals," which do not resemble postage stamps in form or design and do not bear numerals, may be affixed to the reverse side of domestic mail matter.

Tenth—Registry stamps are not valid for payment of postage, but only to cover the fee on registered matter. When used to prepay ordinary postage the matter to which the registry stamps are affixed will be held for postage.

eleventh—The regular inspection, to conduct the regular inspection. He expressed his regrets how ever, and deputized John Kendall as Houghton to act in his stead. A large number of the members of Canton Superior of Houghton, were present besides the members of Canton Copper City. The work was of a very excellent nature and was highly appreciated by those present.

### Eagles Will Elect.

The members of the Calumet Aerle of Eagles will hold a regular meeting this evening, at which time the officers will be chosen for the ensuing year. There will also be a social session in connection and plans will be considered for a membership contest, for which special dispensation has already been received to reduce the initiation fees. The officers will be installed at the first meeting in January.

### To Confer Degree Work.

An invitation has been extended to the members of David S. Kendall council, Royal and Select Masters, to come to Calumet next Wednesday evening to confer the degree work and to be the guests of Calumet council. The invitation has been accepted and it is expected the gathering will be a very enjoyable one. Special street cars will be arranged for to convey the Houghton members to Calumet.

### K. of G. E. Meeting.

Garfield Castle, Knights of the Golden Eagle will hold a regular meeting Monday evening, at which time the members of the Calumet Commandery, K. of G. E. will hold a special drill. It is thought likely the proposed visit of Grand Chief Aske of Detroit, will now be postponed until after the holidays.

### Pythians to Elect.

At the regular meeting tomorrow evening, the members of Charity Lodge, Knights of Pythias will elect officers for the ensuing year. Plans will also be made for a social session in connection with the first regular meeting in January.

### Install Next Week.

The newly elected officers of Court Louis de France will be installed one week from this evening by High Court Deputy Berrier of Lake Linden.

### Will Meet Early.

The members of Helping Hand Tent, Independent Order of Rechabites will hold their regular meeting at

## SPORTING DEPARTMENT

### BEELL MILLER BOUT TONIGHT

Crack Middleweights Ready For Big Bout In Duluth

Speculation as to the victor of the Miller-Beell match in Duluth tonight is not confined to wrestling fans, but the bout seems to be the main subject for conjecture among men who are either aspirants to the middleweight crown or who merely view things from a distance.

Henry Ordeman, the big Norsk wrestler of Minneapolis picks Miller to win decisively if Beell makes the middleweight poundage. Ordeman worked out for 60 minutes with Miller last Friday and after the strenuous exercise pronounced the little Pole to be in the very best shape of his career.

Walter Wiloughby of Milan, Wis., who expects to meet Miller in the elimination proceedings for the title, says he has little doubt of Beell's ability. He bases his conclusion on the fact that Beell is a past master of every trick known to the game, and in addition to this the wonderful Wisconsin farmer still possesses his remarkable strength. Beell's strength and science, Wiloughby says, will return him the victor.

Another authority who believes Beell the best is Ed Adamson, who says he knows whereof he speaks. The veteran Ed comes out with the declaration that Beell is the greatest man of the game and that he ought to be returned the victor.

Mike Gibbons, who trained with Miller when in St. Paul, wrote the letter from Buffalo, N. Y., wishing him success in his bout and adding that he (Gibbons) is sure Miller has the "goods" to win.

### OWNER NAVIN IS PEEVED.

Thinks He Could Struggle Along Without Ty and Sam.

Detroit, Mich., Dec. 11.—"If Cobb and Crawford desire to quit baseball rather than play for the salaries we paid them last year, let them quit," said President Navin of the Detroit Tigers today. "It has been said that Cobb and Crawford were all there was to the Detroit team; that if they were out of the lineup the Tigers would be a chronic second division team. They were not out last season and the Tigers finished sixth. So that theory is exploded."

"It also has been said that Ty Cobb constituted about all the drawing power of the Tigers. On our last home stand 500 was a fair crowd and 1,000 was a hummer, so the theory that Cobb alone brings the money in at the gate also is exploded."

President Navin is agreeable to the proposition which came out of Washington today, to the effect that Clark Griffith desires to acquire George Mullin. Navin will be glad to trade if Griffith has any reasonable exchange to offer. Mullin is regarded as through here, though he probably has as much stuff in his salary wing as he ever had.

For several years a certain element of fans has been crabbing him. Naturally it has affected his work.

### SHELDON WILL RETURN.

Bloomington, Ind., Dec. 11.—James M. Sheldon will return to the University of Indiana next season for his ninth year as football coach, it was announced here last night.

It also was stated that "Cotton" Bernat, an Indiana football star of 1911, will come to the university next fall to be director of athletics. He will coach the baseball and basketball teams next year.

6:30 o'clock Saturday evening, instead of the usual hour, because of the concert to be given by the members of Willing Workers Tent, later in the evening.

### Calumet Lodge, I. O. O. F.

The third degree was conferred on a class of candidates at the regular meeting of Calumet lodge, No. 134, I. O. O. F., last evening. Next week the initiatory degree will be conferred.

### Calumet Encampment.

The members of Calumet Encampment, I. O. O. F., will confer the Golden Rule degree at their regular meeting Friday evening. It is expected there will be a large attendance.

### WOULD PROMOTE RUNNING.

Sullivan Hangs Up Belt for Would-be Marathoners.

New York, Dec. 11.—In order to encourage distance running, James E. Sullivan has offered a silver belt to be held as a challenge trophy until the time of the next Olympic games and to be competed for as often as any club receiving an invitation may determine to put on a race.

It is proposed to start with competitions at one hour and gradually increase the distance. A system of scoring is yet to be devised, but it is said that some means will be found so that the belt may have a permanent owner as soon as it has performed its purpose of developing men for the next Olympic marathon.

### LAURELS FOR STORER.

Harvard Football Luminary Will Lead the Literary Team This Winter.

Cambridge, Dec. 11.—Having retired from the football season with laurels, Storer, the heady back, who swooped down on Wheeler's fumbled punt in the recent Yale game, and then dashed across the goal line for the first touchdown Harvard had scored on Yale for eleven years, is to add new honors to his list.

Harvard is to revise its college hymnal and Storer has been elected to lead the literary "team" in that difficult work.

### CHAMPION TENNIS PLAYER

Los Angeles, Cal., Dec. 11.—Miss May Sutton, the former woman tennis champion, was married here today to Thomas C. Bundy, who shares the doubles tennis championship with Maurice McLoughlin of San Francisco. The bride is one of the three daughters of Captain Adolphus Sutton of Pasadena. All the girls are tennis players of national fame. Mr. Bundy, the bridegroom, is engaged in the real estate business in this city. He has won the distinction in all the Eastern tennis championships in the last three seasons, his culminating triumph being the victory in the national doubles at Newport last summer.

### Anty Drudge Suggests an Essay.

Fair Graduate—"My commencement essay is on 'The Indisputable Superiority of Mind over Matter.'"

Anty Drudge—"Why not make your essay about practical things: 'How Fels-Naptha Has Lightened Woman's Work.' After you are married, and have a house of your own, you will find that Fels-Naptha has done more to take the sting out of housework than anything ever invented."

The three great forward steps in woman's housework are:

The modern range in place of the old fireplace and kettle;

The sewing machine in place of laborious hand-sewing;

Fels-Naptha soap, which makes it easy to wash clothes in cool or lukewarm water, without boiling or hard rubbing.

Of these three, Fels-Naptha saves the woman more back-breaking labor, more time, more money, and does more to make life pleasanter than either of the others.

At the very first, you can see how it saves time and labor, but perhaps you'll wonder how Fels-Naptha saves money.

In two ways: First it saves the cost of coal or gas to heat water and boil the clothes.

Then the clothes last longer when washed with Fels-Naptha in cool or lukewarm water.

Their fibre isn't weakened by boiling nor strained by hard rubbing.

You can't realize just what a help Fels-Naptha is until you've tried it in your own washing.

Why not begin next washday?

Fels-Naptha easy way of washing in place of the tiresome, tedious back-breaking method.

Use it according to directions on the red and green wrapper, winter or summer.

Just received, a large assortment of
